

Truworthis Fashion Academy - Student Funding Programme

ANNEXURE TO APPLICATION FORM

Welcome to the Truworthis Fashion Academy in association with DAF.

Truworthis, South Africa's leading fashion retailer is proud to introduce a student funding programme that will serve to open doors for talented young individuals. In line with its commitment to transformation and black economic empowerment, black applicants from previously disadvantaged backgrounds may apply for student funding through the Truworthis Fashion Academy.

Qualifying students will be offered funding to contribute towards studying at the acclaimed Design Academy of Fashion (DAF) in Cape Town. On completion of your DAF Fashion Diploma in addition to the requirements of the Truworthis Fashion Academy, you will qualify for consideration to enter the Truworthis Trainee Buying Programme. Should you successfully complete the Truworthis Trainee Buying Programme, you will be ready to pursue a career in the exciting and dynamic world of fashion retail at Truworthis.

The objective of the initiative is to engage with and support the development of young talent in South Africa. Successful applicants are selected on the basis that we recognise your potential and passion and want to form a relationship with you. The funding is awarded in part as a bursary and in part as a loan (subject to successfully securing employment with us or within our supply chain following your graduation from the Truworthis Fashion Academy).

The initial funding will contribute towards the following:

- Registration fee
- Tuition fees
- Use of a sewing machine and overlocker
- Pattern-making equipment
- Required and recommended text books
- Fabrics for your designs

The student funding excludes:

- Travel, accommodation and food costs

In line with Truworthis' commitment to transformation and black economic empowerment, only black applicants from a disadvantaged background can be considered. (as defined by the DTI BBBEEE codes)

Please feel free to visit the Truworthis (www.truworthis.co.za) website and DAF (www.daf-academy.co.za) website for more information.
